Deck plan shown is Celebrity Infinity, which represents an example of a Millennium Class ship. Facilities may vary by ship. The deck plan is designed to give an overview of the layout of a typical Millennium Class ship, indicating the location of facilities and staterooms by stateroom number. The deck plan is not an exact blueprint. Should you have specific needs or require additional information regarding a particular stateroom, please contact our Reservations Department, your travel agent or cruise specialist.

Some midship staterooms on Sky deck have an overhang on the balcony from the above deck. All mid-ship category 9 interior stateroom doors in this type of layout open portside (left side of the ship when facing forward) except for stateroom number 8044 which opens starboard (right side of the ship).
